

## Serpentine Ndebele Wave Bracelet

Using Delica beads is what makes this bracelet special. They wind in and out of accent beads to create a piece that's sparkling and elegant and looks a bit like snakeskin. If you look carefully, you can see this is an ndebele variation.

### Supplies Needed:

- 2 colors Delica beads
- size 15 seed beads
- 4mm round or square accent beads
- button for clasp
- Nymo D, C-LON or Fireline
